

American Lincoln Part

American Lincoln Parts - Now connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. Within the industry they are recognized within the business as providing strong and durable equipment that meets all the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery operated walk behind version of floor scrubber along with the Clarke Company which is currently likewise owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These kinds of scrubbers are on the market under the brand name "Encore". American Lincoln could supply warranty service, machines and components for these types of scrubbers that carry both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility supervisors where efficiency and results matter. Recently, this floor scrubber model has been used by the architects in different construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this sweeper scrubber on location due to the model's utmost performance level and excellent quality for polishing concrete.
