

Fork Mounted Sweeper

Fork Mounted Sweepers - This particular attachment really makes industrial sweeping work a lot easier to do. The handy lift truck mounted broom is meant for use with either dry or wet material clean ups. It could squeegee water and push snow without difficulty. This particular attachment is often utilized to clean debris from parking lots, warehouses, construction sites, docks and practically anywhere it is needed. The forklift sweeper is a low maintenance accessory that utilizes quick-tite blade products to effortlessly mount to the lift truck.
