

Lull Telehandler Part

Lull Telehandler Parts - Lull telehandlers have been providing precision load placement since the year 1959. Whether the job requires positioning heavy steel, landing loads on scaffolding or transferring loads, using a Lull telehandler would help make the task go faster and easier. These units are complete with the patented Stabil-Trak stability system to ensure operator confidence.

The Lull horizontal load placement system supplies eighty inches of boom travel for precision placement capabilities. Different optional accessories is available for Lull telehandlers in order to help finish whatever work.
